ATE CENTRAL CHECKLIST

- ☐ Look up your project or center on ATE Central (**http://atecentral.net/map**) and make sure your information is correct.

- ☐ Let ATE Central know if you currently share your resources online, or if you would like to create a resource collection. For more information and assistance with creating or sharing your resources online contact **Kendra Bouda** at **kbouda@atecentral.net**.

- ☐ You may also be interested in ATE Central's CWIS, a free software package designed to make it easy to put a collection of educational resources online. Several ATE centers already use CWIS – see **http://scout.wisc.edu/cwis** for more information.

- ☐ Sign up for *ATE Central Connection* (**http://atecentral.net/connection**), a monthly newsletter that will keep you informed about events and news from the ATE Community, and follow ATE Central on Facebook (**http://facebook.com/ATECentral**) and Twitter (**@ATECentral**).

- ☐ Send information about any upcoming events your project or center is conducting via **http://atecentral.net/submitevent**. We'll post them on the events section on the ATE Central site, publish them in *ATE Central Connection*, and disseminate them via the ATE Central Event Widget.

- ☐ Check out the ATE Central Outreach Kit (**http://atecentral.net/outreach**) where you'll find a variety of ideas for outreach and dissemination in the Planning, Social Media, and Communications Guides.

- ☐ Use the ATE Central Event Widget (**http://atecentral.net/widget**), an online tool that allows you to very easily add a continuously-updated list of ATE-related events to your project or center's web site.

For more information on any of the above items, please drop us a note at **info@atecentral.net**. We look forward to working with you to help you achieve the goals of your project or center!
