Thursday - Glenn Wintrich (smart cities)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Comments:

*** 5. What features did you like best about WC?**

*** 6. Will you teach a course as a result of this professional development?**

- Yes
- No

Please explain:

*** 7. If you are not going to teach material you learned in your track, how do you plan to use this information?**

*** 8. How will you demonstrate that the learning from WC has increased your capacity to impact student learning in this area?**

*** 9. How will you verify this impact on student learning?**

* 10. What would you like to see us do next year that we did not do this year?

* 11. What topics interest you for future WC?

* 12. What topics interest you that might work well as an online WC track?

* 13. Using your best estimate, how many new courses have you or your college created or modified as a result of the training you received from prior WCs?

* 14. Using your best estimate, how many new certificates have you or your college created or modified as a result of the training you received from prior WCs?

* 15. Using your best estimate, how many new degrees have you or your college created or modified as a result of the training you received from prior WCs?

* 16. How many students have you or your college had enrolled in these new/modified classes/programs? (Please provide your best estimated number.)

* 17. What other intensive professional development training event have you participated in during the last year (equivalent in depth to WC)? What was the cost?

Name of Professional Development Event:

Cost of Professional Development Event:

* 18. How, if at all, will this week's in-person networking with your IT faculty peers help you and your program? Check all that apply. The networking has provided me...

- Avenues to pursue low-cost equipment
- New ideas/strategies for the classroom
- New tools and resources
- Possible collaboration on project/grant
- Problem-solving to resolve current challenges
- Very little

Please explain:

19. If you are from out of town and stayed at a local hotel this week, which hotel did you use?

- I did not stay at a hotel
- Frisco Comfort Inn and Suites
- Holiday Inn Express Frisco
- Marriott SpringHill Suites
- Other (please specify below)

Other (please specify)

20. If you are from out of town and stayed at a local hotel this week, were you satisfied with your experience at that hotel? Is there anything we should know about your stay?

*** 21. Have you or your program used any of the following NetLab labs? Check all that apply.**

- A+
- Cisco Academy
- Cybersecurity
- EMC
- Linux+
- LPI Academy
- Net+
- Palo Alto
- Red Hat
- VMware
- Other (please specify)

*** 22. Does your school have its own NetLab installation?**

- Yes
- No
- Comments:

*** 23. Would you be interested in using NetLab supplied by the National CTC for your students?**

- Yes, please contact me/I will contact Mark Dempsey at mdempsey@collin.edu
- No
- Comments:

*** 24. Have you looked at the free curriculum available at nter.collin.edu?**

- Yes
- No
- If so, how have you used that curriculum? If not, why not?

25. Please tell us anything else you would like us to know.

The last three questions will provide useful aggregate data for our CTC grant renewal. All responses will be considered confidential.

26. Please rate the level of support you now receive from your administration regarding keeping your program up to date with current industry trends and needs.

- Very supported
- Somewhat supported
- Supported
- Somewhat unsupported
- Very unsupported

*** 27. Please rate the level of involvement you now have in influencing the format, agenda, and invitee list for your program's business council.**

- Very involved
- Somewhat involved
- Involved
- Somewhat uninvolved
- Very uninvolved

Comments:

*** 28. How much emphasis does your program place on students developing a comprehensive IT portfolio of projects for job interviews?**

- Great emphasis
- Some emphasis
- Little emphasis
- No emphasis
