WHAT IS THE VALUE OF A DIGITAL BADGE?

It shows the world the activities, knowledge, and skills you have demonstrated to earn a badge from Minnesota Manufactured, a verified issuer.

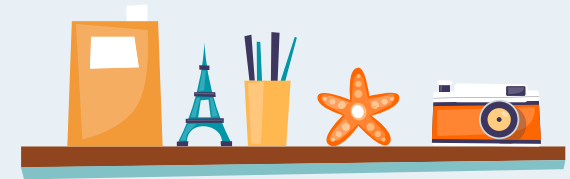

It is easy to share your accomplishments on social media, in a digital backpack, or almost any other digital platform!

A digital badge cannot be faked. Credentials are embedded inside—your name, what you did to earn the badge, who issued the badge (Minnesota Manufactured) and the issue date.

Students who complete the Digital Badge Pathway can apply for one of four Minnesota Manufactured education scholarships, valued at \$4,000 each to use at a partnering college of your choice.
