

**National Center for
Autonomous Technologies**

NSF PI Autonomous Land-Based Transportation *SECTOR MEETING*

Please make plans to attend the first ever meeting of NSF PI's related to autonomous vehicle technician education. The purpose of this meeting is to create conversation that advances and grows the educational resources and activities related to autonomous technology.

In this meeting you will:

- Meet all of the NSF PI's from across the nation that are doing projects related to autonomous vehicle technician education
- Create new networks
- Focus on goals that meet your NSF projects now and in the future
- Be a part of the creation of a portfolio of projects that move forward
- Learn about future committee meetings that will seek to expand autonomous vehicle technician projects & submissions

January 18, 2022 | 11:30 am - 12:30 pm CT

Please RSVP to chris.hadfield@dctc.edu
