

TRAINING

Working Connections events offer cutting-edge, cost-effective professional development that provides IT instructors with the expertise needed to teach the most in-demand technology topics. Limited travel reimbursement help is often available.

Next Events: ONLINE December 12-14, 2022

NETWORK

The robust Convergence College Network (CCN) community of practice connects innovative IT educators from 88 colleges around the nation to share resources, collaborate on curriculum, and discuss best practices to enhance their programs.

LEADERSHIP

Our National Business and Industry Leadership Team (BILT) provides insight on both the current IT job market and emerging technology trends. If your program is not co-led by the businesses that are hiring graduates, consider taking your existing advisory council to the next level by transforming it into a successful BILT.
