

# ITSS Summit – Day 3

Thursday, April 25, 2024

## Today's Road Map

- Examples of other KSAs
- Review game
- Action plan presentations

# Review Game

- 25 questions
- 1-2 points per question
- Last question worth 5 points
- Picking avatar and entering name (keep your name short)
- Slides with Friends

# Action Plan

- Three strategies, practices, or tools to use at your home school
- Need measurable outcomes

**IT SKILL BEYOND 2020**

**ACTION PLAN**

Using the table below, please write down three strategies, best practices, and/or tools that you want to implement at your home school.

These three items must have measurable outcomes. That is, what data will tell you that the strategies, best practices, and/or tools made a positive impact in the classroom?

| Action Item  | Who will be involved   | How success/impact will be measured   |
|--|--|---|
| 1. Meet with people at your college to provide BILT overview and process for implementation. | The team that attended the ITSS Summit, the college administrator, and other college faculty | The college administrator and other faculty buy into the idea of the BILT.                        |
| 2. Recruit employers for other program host orientation meeting.                             | Faculty and administrator responsible for other program.                                     | About 20 employers were recruited, and an orientation meeting was held.                           |
| 3. Host a BILT KSA meeting for other program.  | Faculty and administrator responsible for other program.                                     | KSA meeting held for about 10 employers at least with visit and discussion on pro-forma KSA list. |
