Assignment 3

a.) You have been hired by General Mills. They want to get into the pie business. Their culinary department has come up with a simple recipe for strawberry refrigerator pie. Given the ingredients and recipe below, create "Operations Process Chart" for its home preparation. (an empty chart with symbols is attached)

Ingredients

- 1 cup sugar
- 1 package frozen strawberries (1 ½ cups)
- 2 well beaten eggs
- 1 package strawberry Jello
- 1 can evaporated milk

Thaw and drain strawberries to get about ¾ cup liquid. Blend liquid of strawberries with sugar and eggs. Boil at least 1 minute. Add Jello, mix, and let cool in refrigerator. Add strawberries to mixture. Whip cold milk and fold into mixture. Pour into two 9-inch pre-made, pre-cooked pie shells, place in refrigerator to cool, and serve.

b.) Make a "Bill of material" for the following piece of dorm room furniture. (an empty outline is attached)
